

GPI US Inc. is an international education company that creates youth empowerment programs and ESL programs in the United States. GPI US is now accepting applications for Group Leader positions for our programs at Claremont College this July.

Position Description

Group Leaders will lead high school students in English-only discussions and activities both inside and outside of the classroom, with program and discussion themes of self-empowerment, leadership, and critical thinking.

Program Dates (Tentative)

7/24/2019 - 7/28/2019

Applicant Requirements

- Must be eligible to legally work in the United States (**work study is NOT accepted**)
- Must be a current Claremont student or a recent graduate
- If selected to be a Group Leader, must be able to attend a pre-program orientation on campus

Compensation

\$60 per shift
