

## **UC - Berkeley Campus Tour & Fellowship Leader**

The mission of GPI US is to empower today's youth to thrive in a global world through educational study abroad programs. Our top-quality programs challenge, inspire, and educate our students to be better prepared for globalization. Many of our programs focus on global issues, leadership, cross-cultural understanding, problem solving, and communicative English. We aim to maximize students' experiences through thought-provoking seminars, engaging classes, excursions, conversations with peers, and practical discussion.
