

UC - Berkeley Campus Tour & Fellowship Leader

The mission of GPI US is to empower today's youth to thrive in a global world through educational study abroad programs. Our top-quality programs challenge, inspire, and educate our students to be better prepared for globalization. Many of our programs focus on global issues, leadership, cross-cultural understanding, problem solving, and communicative English. We aim to maximize students' experiences through thought-provoking seminars, engaging classes, excursions, conversations with peers, and practical discussion.

GPI US is seeking UC-Berkeley students or graduates who are interested in sharing their UC-Berkeley experience with Japanese high school students visiting and learning in the San Francisco Bay Area. Interest in global education and Japanese culture and experience living abroad is a plus.

Duties may include:

- Leading a one-hour Tour of the campus for 5 – 15 students
 - The tour will be unique and personal, based on your time at UC-Berkeley. It can range from showing your favorite café or reading spot to your dorm or favorite classroom
 - The tour is not a Wikipedia history tour, although taking time for some famous photo spots and ancient UC-Berkeley myths and legends is always welcome
- Leading a one-hour Fellowship in either a small discussion group or in front of a larger group in a panel-style discussion
 - Topics of discussion should range from empowering/motivating personal stories to your daily life to why you chose UC-Berkeley
 - The fellowship is not an admissions session, but a more personal perspective on UC-Berkeley and college life
 - If students have trouble asking meaningful questions, we welcome you to guide the session
- Being able to engage students and draw out questions from students during the Fellowship and Tour

Requirements:

- Applicants should have an interest in education, international culture, global issues, travel, and/or Japan.
- Applicants must be fluent in English.
- Applicants must be a current student or graduate of UC-Berkeley
